**Re: BTNL Self-Certification Pursuant to CFTC Regulation 40.2(a)
Certification - Listing of Litecoin US Dollar Hecto Futures Contract**

Dear Mr. Kirkpatrick,

Bitnomial Exchange, LLC (“BTNL” or the “Exchange”), a designated contract market (“DCM”), hereby notifies the Commodity Futures Trading Commission (“CFTC” or the “Commission”) that it hereby submits for self-certification its initial listing of the Litecoin US Dollar Hecto Futures (“LTUH”) contracts to be offered for trading on BTNL for an intended trade date on or after February 18, 2025.

Contract Description

The LTUH contract is a physically-settled, margined futures contract based on the price of 100 LTC (Litecoin). Attached Exchange Rule “Litecoin US Dollar Hecto Futures Contract” details the product specifications.

Litecoin (LTC) Market Overview

Litecoin is a peer-to-peer digital currency that offers fast and cost-effective transactions. It was created as a lightweight alternative to Bitcoin, featuring shorter block times and a different hashing algorithm (Script) to enhance accessibility and decentralization. Litecoin has been widely adopted for payments due to its reliability and ease of use. The LTC token serves as a medium of exchange and is integrated into various payment platforms, supporting a broad ecosystem of merchants and users.

Deliverable Supply Analysis

- **Current Circulation:** 75,506,864 LTC
- **Total Supply:** 75,506,927 LTC
- **Max Supply:** 84,000,000 LTC
- **Market Cap:** \$7,854,611,645.00

The Exchange proposes a contract month position limit of 750 futures contracts, representing 0.1% of total deliverable supply.

Core Principle Compliance

BTNL has determined that its rules related to the listing of LTUH contracts comply with the requirements of the Commodity Exchange Act and the rules and regulations promulgated by the Commission thereunder. BTNL has reviewed the DCM Core Principles and related guidance and determined that the listing of LTUH contracts impact the following Core Principles:

Core Principle 2 - Compliance with Rules:

Trading and delivery of LTUH contracts are subject to the Business Conduct and Trading Practice Rules found in Chapter 4 of the BTNL Rulebook including Rule 403 which forbids pre-arranged, pre-negotiated non-competitive trades. Trading and delivery in these products will also be subject to Market Operations and Discipline and Enforcement Rules found in Chapters 5 and 6, respectively.

Core Principle 3 - Contracts Not Readily Subject to Manipulation:

Multiple domestic and foreign markets trade the underlying LTC product, making manipulation unlikely. Additionally, Trading and delivery of LTUH contracts are not readily subject to manipulation because they are subject to position limits. Daily and Final settlement will be determined in accordance with BTNL Rule 509.

Core Principle 4 - Prevention of Market Disruption:

Trading and delivery of LTUH contracts are subject to prohibitions of market disruption under Chapters 4, 5, and 6 relating to Business Conduct and Trading Practices, Market Operations, and Discipline and Enforcement, respectively. All trading at BTNL Exchange is subject to market surveillance and a robust disciplinary framework.

Core Principle 5 - Position Limits or Accountability:

Trading and delivery of LTUH contracts are subject to position limits set forth in Chapter 15. The position limits are consistent with Commission guidance. Position limits may be adjusted based on market needs.

Core Principle 7 - Availability of General Information:

Prior to the launch of trading of LTUH contracts, product terms and conditions will be available on the BTNL website. Information on delivery of LTUH contracts will be made available on the BTNL website.

Core Principle 8 - Daily Publication of Trading Information:

The Exchange will publish LTUH trading volumes, open interest levels, and price information on its website and through quote vendors.

Core Principle 9 - Execution of Transactions:

Execution of all LTUH contracts will take place on the BTNL electronic trading platform. Electronic execution provides competitive and transparent transactions. All LTUH contracts will be cleared by Bitnomial Clearinghouse, LLC ("BNCH"), a CFTC-registered derivatives clearing organisation ("DCO"), subject to Commission rules and oversight.

Core Principle 10 - Trade Information:

All requisite trade information will be recorded and stored in the audit trail and will be surveilled and monitored in accordance with BTNL Rules.

Core Principle 11 - Financial Integrity of Transactions:

All LTUH contracts will be cleared by BNCH, a CFTC-registered DCO, subject to Commission rules and oversight.

Core Principle 12 - Protection of Markets and Market Participants:

BTNL Rules have set forth numerous requirements and protections to prevent intermediaries from disadvantaging customers.

Core Principle 13 - Disciplinary Procedures:

All LTUH contracts are subject to the protections provided by Chapter 6 of the BTNL Rulebook. Chapter 6 describes the disciplinary procedures of the Exchange that authorize the Exchange to discipline, suspend, or expel Participants that violate Exchange Rules.

Core Principle 14 - Dispute Resolution:

Disputes arising from trading of LTUH contracts must be arbitrated in accordance with BTNL Rules found in Chapter 7. All disputes, controversies or claims between or among themselves that relate to or arise out of any contract or otherwise arise out of one or more transactions made or to be made on the Exchange or subject to the Rules and are based upon facts and circumstances that occurred at a time when the parties were Participants or Customers.

Certification

The Exchange has spoken with Clearing Members and market participants who support the decision to launch Litecoin US Dollar Hecto Futures contracts. The Exchange is not aware of any substantive opposing views to the LTUH contracts. The Exchange certifies that the LTUH contracts and related rules certified herein comply with the Commodity Exchange Act and the rules and regulations promulgated thereunder.

The Exchange certifies that this submission has been concurrently posted on the Exchange's website at: <https://bitnomial.com/exchange/regulation/>

If you have any questions or require further information, please contact the undersigned at james.walsh@bitnomial.com.

Sincerely, /s/

James A. Walsh
