**Re: FOIA Confidential Treatment Request - Bitnomial Exchange, LLC and Bitnomial Clearinghouse, LLC**

Dear Sir/Madam:

On behalf of Bitnomial Exchange, LLC and Bitnomial Clearinghouse, LLC (collectively, the “Company”), we have submitted documents, dated January 28, 2025 (the “Confidential Submission”), to the Commodity Futures Trading Commission (“Commission”) related to the Company’s Rulebook. The Company considers these documents to be proprietary and confidential.

We hereby petition the Commission, pursuant to Commission Regulations 145.5 and 145.9, to accept and retain in confidence the aforementioned documents until further notice as against any requestor who files with the Commission a request to inspect such documents pursuant to the Freedom of Information Act.

Confidential treatment is requested, among other things, on the grounds that the Confidential Submission contains data and information which would separately disclose business transactions and trade secrets that may not be disclosed to third parties, as provided in Section 8(a) of the Commodity Exchange Act and Commission Regulation 145.5(c)(1). Confidential treatment also is requested on the grounds that the Confidential Submission is exempt from disclosure under paragraph (b)(4) of the Freedom of Information Act (“FOIA”) and Commission Regulations 145.5(d) and 145.9(d)(1)(ii), because it contains commercial and financial information that is confidential and would be of material assistance to competitors. Further, confidential treatment is requested on the grounds that the Confidential Submission includes personal information of the Company and other persons, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy.

We understand that if the Commission receives a FOIA request for the Confidential Submission, we will be notified of such request in accordance with the Commission’s regulations and be asked to submit, within ten business days, a detailed written justification for confidential treatment of the Confidential Submission. In such event, we request that Commission staff

telephone or email the undersigned rather than rely solely upon U.S. mail for such notice.

If the Commission or its staff transmits any of the Confidential Submission to another federal agency, we request that you forward a copy of this letter to any such agency with the Confidential Submission and further request that you advise any such agency of the request that the material be accorded confidential treatment.

The requests set forth in the preceding paragraphs also apply to any memoranda, notes, transcripts or other writings of any sort whatsoever that are made by, or at the request of, any employee of the Commission (or any other federal agency) and which (1) incorporate, include or relate to any aspect of the Confidential Submission; or (2) refer to any conference, meeting, or telephone conversation regarding the Company relating to the Confidential Submission. Please direct any questions regarding this request for confidential treatment, as well as any notices pursuant to Commission Regulation 145.9(e), to the attention of the undersigned at [james.walsh@bitnomial.com](mailto:james.walsh@bitnomial.com).

Very truly yours,

/s/
